

Bible Reading Challenge

Christmas

The Season of Christmas is upon us once more. As you prepare for the season may you forever remember the reason for the Season...Jesus, the Son of God, born of the virgin Mary, laid in a manger and destined to die for our sins.

The Reading will help you to see the focus of God's redemptive plan. Salvation is not relegated to a select few who are pure in their genealogy and their religion, but is open to all humanity and you find no greater evidence of this than in the genealogy of the Lord Jesus Himself.

Simple and short this plan may be but it is packed with great insight. As always, let the Lord peak your curiosity read before and long after these passages. Enjoy the discovery of God's Great Word.
